On-Premises Laundry

IPD 50 - 75 lb Tumblers

On-premises laundries face enough daily challenges, wrestling with complicated, inefficient equipment shouldn't be one of them. IPSO's IPD 50 and 75 lb tumblers combine an ultra-efficient design with a user-friendly microprocessor control to stream-line the laundry process. Our goal is building equipment that's simple to own and even more simple to operate.

Simplifying Ownership

EFFICIENT DRYING. IPSO tumblers perfectly balance heat, airflow and cylinder design, which translates into the most efficient drying process. That means utility costs are kept low.

TIME SAVINGS. A large, self-cleaning lint screen means less cleaning and ensures efficient operation. Self-adjusting belts save time and reduce maintenance costs.

LARGE CAPACITY. While many laundries experience bottlenecks in the drying process, the large 50 and 75 lb capacity of IPD tumblers combined with their efficiency keep your laundry's productivity at its highest level.

PEACE OF MIND. Our commitment to you comes with a 3-year parts warranty.

SIMPLE CONTROLS. The OPTimum™ control is easy to train staff to operate and offers 30 programmable preset drying cycles for greater operating ease. It also delivers flexibility with simple customization of cycles.

OVER-DRY PREVENTION TECHNOLOGY.

Our OPTimum™ control has an option for OPT (Over-dry Prevention Technology) that can save hundreds on utility costs, increase throughput, and extend linen life.

RUGGED CONSTRUCTION. Tumblers in on-premises laundries receive their share of heavy-use abuse. IPSO's rugged design and heavy-duty door and hinge can take whatever your staff dishes out.

THE BOTTOM LINE. It's the balance between airflow, heat and drop that leads to fast and efficient drying.

Because of their size, efficiency and simple control, IPSO IPD 50 and 75 lb drying tumblers will have the ultimate impact on your laundry's productivity and bottom line. Put simply, IPSO gets results.

IPD50 - 50 lb Tumbler*
IPD75 - 75 lb Tumbler*

* IPSO also offers 25, 30, 35, 55, 120 and 170 lb Single Tumblers and 30 and 45 lb Stack Tumblers

IPD 50 - 75 lb Tumbler Specifications

	IPD50			IPD75					
Capacity - lb (kg)	50 (23)			75 (34)					
Height - in (mm)	76 5/8" (1946)			76 5/8" (1946)					
Width - in (mm)	38 5/8" (981)			38 5/8" (981)					
Depth - in (mm)	47" (1194)			53" (1346)					
Net Weight - lb (kg)	545 (247)			615 (279)					
Shipping Weight - lb (kg)	602 (273)			677 (307)					
Cylinder Dimensions	Diameter - in (mm)			37" (940)					
	Depth - in (mm)			36" (914)					
	Volume - cu.ft. (liters)			22.4 (634)
