PinMate Completely Cashless

Our commitment to technology gives you an edge everyday!

At Coinamatic, we incorporate technologies into every aspect of our business. And every innovation is designed to improve the laundry experience for both you and your residents. The systems and amenities created by our in-house technology group raise our laundry programs well above the ordinary - and will do the same for your profits.

The PinMate Experience

Increase the usage of your laundry facility and boost sales by freeing residents from the hassle of searching for coins or bills. Coinamatic's PinMate Add Value Station is a low-cost, user friendly solution for adding value to smart cards. Residents can easily add value to their smart card online using their home or work computer and a valid MasterCard or VISA credit card or Interac Online.

Features & Benefits

- Completely cashless - reduces theft and vandalism
- Adds value to existing smart cards
- Simple operation directed by web interface, and use of keypad on PinMate's Add Value Station
- No phone line required
- Facilitates on-site refunds
- Lightweight unit mounts to any surface
- Available in English and French
