

# Reduce Utilities. Kill Germs. Create Sustainability.

Improving Clients' profitability with sustainable laundry solutions.

*The ozone system has provided us with a number of benefits. The system has reduced our gas usage by 25,000m<sup>3</sup> and water by 1926 cu ft ... Overall, our utility consumption has decreased by 30%!*

- Mario Gugliotta, Facility Manager, Shepherd Village

From pre to post service, we work with you every step of the way.
