

Every **ONE** counts.

At Luxer One, every package, every detail, every material, and every interaction counts. We strive for excellence and never stop short of perfection. Because it's about you, the ones we serve. That's what matters most. And that's what sets Luxer One apart from the rest. For more than 15 years, we've put our blood, sweat, and tears into the belief that a symbiotic relationship can exist between impervious hardware and seamless technology.

3 SIMPLE WAYS TO PAY...

The **ONE** that delivers peace of mind.

With an automated Luxer One smart locker system, you can provide your carriers and residents a secure and hands-free way to receive packages and orders. Residents who use the Luxer One mobile app hold the power of the industry's best contactless package retrieval in their hands.

NO CONTACT. NO KEYS. NO WORRIES.

Give your residents a convenient way to practice social distancing without sacrificing security.

CONTACTLESS DELIVERY

EASY AS...

ONE

Items are delivered to secure locker or room via touchscreen.

TWO

Recipient receives alert on their phone via the Luxer One mobile app.

THREE

Recipient opens locker with App. 24/7 convenience and no contact.

Specifications

The **ONE** that's tailored to your needs.

Every Luxer One locker has one thing in common: superior quality. The rest is up to you. We will design, build and install your locker based on the specific needs of your property—from the number of units to the various door combinations.
